Reference: Year End 1996 Report

Dear Monica:

This letter is in response to your letter dated June 18, 1997 (enclosed for your reference).

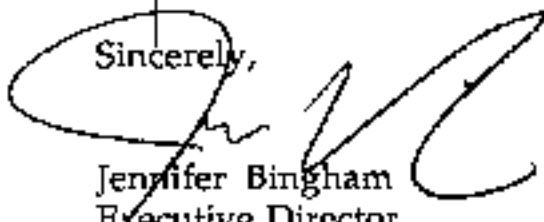

The Schedule B in question is correct; the payments for in-kind contributions were not paid previously. The payments were reported on the original October 15 Quarterly Report, but were mistakenly not reported as "memo" entries as they should have been, i.e. they were incurred, but not yet paid. When I discovered the mistake, I immediately called our analyst, Mr. Neil Evans, and he recommended that we refile the October Quarterly Report in the correct format. That is what we have done. Please see the Amended October 15, 1996 Quarterly Report, dated December 12, 1996.

In your letter, you requested that we clarify whether attached payments are in fact previously reported contributions. The payment in question to Brown and Associates was previously reported as a "memo" in-kind contribution. The Schedule B, Line 23 for in-kind contributions to federal candidates has been amended to indicate when contributions paid were previously reported as memo contributions.

Schedule B, Line 23 has been amended to ensure the purpose of the disbursement is listed the same way as the previously reported memo entry.

Please feel free to call me if you have any questions. I can be reached at the office on (703) 683-5558.

Sincerely,

Jennifer Bingham
Executive Director
and Assistant Treasurer
